

OLD WEST

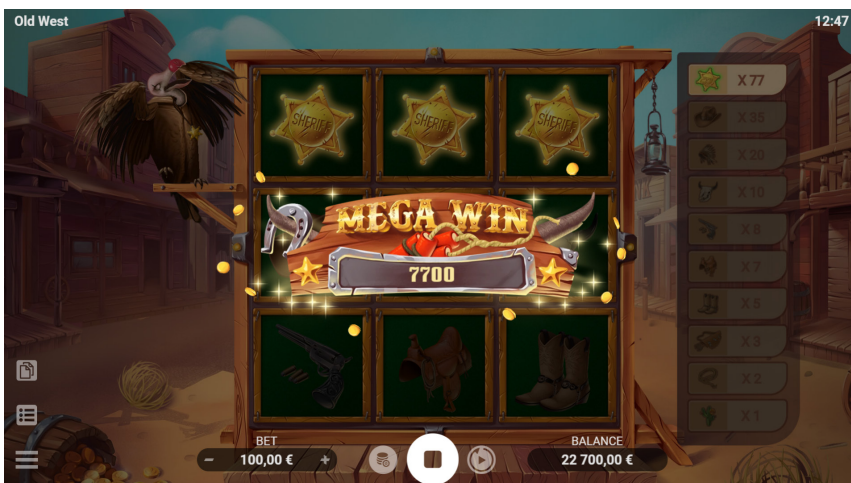

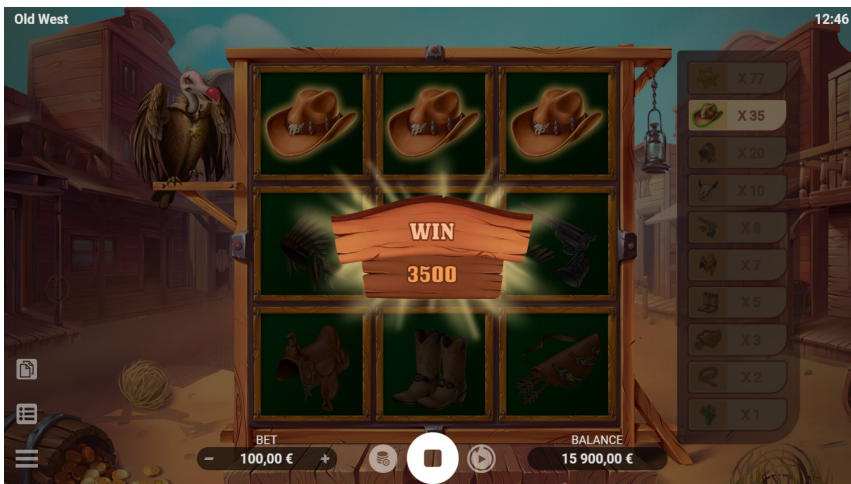

Explore the life of a cowboy in Evoplay's instant scratch game Old West! The Wild West is calling "yee-haw" - hop into the saddle!

The story takes place in a small town where a local sheriff scowls at every cowboy, trying to boost their fortune by hook or crook. Decoyed by the gold rush and festive saloons, cowboys come to the Old West square, where they can try their luck and win a barrel of coins. Stick a revolver in your belt, scratch an old board, and uncover what hides beneath a thick layer of dust and lucky horseshoe prints. Three identical symbols - attributes depicting the Wild West - appearing on the grid reward game participants with the wildest multipliers!

Ride through the Old West to experience the gold rush and the American frontier era!
